

# Sur Invitation 2025

27 August 2025

The Syndicat National des Négociants en Art (SNA) is delighted to be a partner of Sur Invitation, which will launch its very first edition in Paris from September 17 to 21, 2025, in the exceptional setting of the Pagoda of Monsieur Loo. This new event for art collectors introduces an unprecedented format, conceived as an intimate immersion in a privileged environment.

Twelve carefully selected galleries will present a dialogue of rare works: Old and Modern Masters, Tribal Art, Decorative Arts, Design, Jewellery, Asian Art...

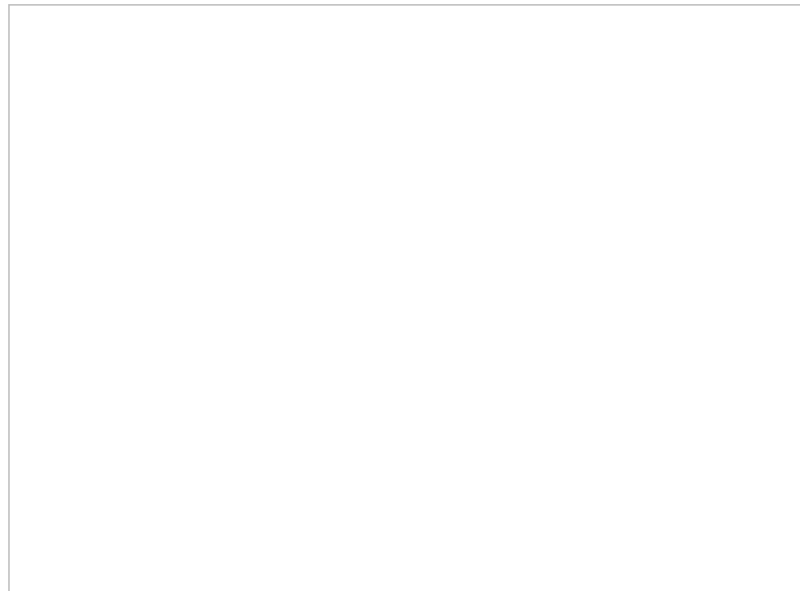

Designed for a discerning audience of collectors, Sur Invitation emphasizes the quality of encounters and offers a truly bespoke experience. Those wishing to attend are invited to contact the galleries of their choice directly, who may extend an invitation.
