

The Rooms Art Fair

14 May 2025

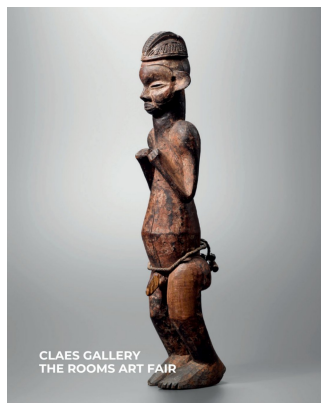

The Rooms Art & Design Fair 2025 is making its debut in Brussels from May 22 to 25, taking over the iconic former Royale Belge building, now home to Mix Brussels. For its first edition, this unique fair reimagines hotel rooms as intimate exhibition spaces.

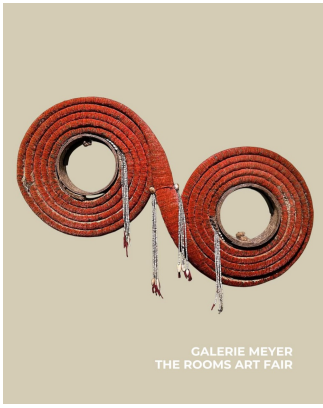

36 international galleries will showcase a vibrant mix of contemporary art, antiques, non-European art, artist jewelry, and monumental pieces. 9 members of the SNA are taking part, inviting visitors to explore their world in a warm, immersive setting.
